

# BlueDental Traditional

*Includes access to a national provider network*

CareFirst BlueCross BlueShield (CareFirst) offers BlueDental Traditional coverage, which allows you the freedom to see any dentist you choose.

## Advantages of the plan

- **Freedom of choice, freedom to save**—With BlueDental Traditional coverage, you can see any dentist you choose. However, this plan also gives you the option to reduce your out-of-pocket expenses by visiting a dentist who participates in our Traditional Provider network. It's your choice!
- **Comprehensive coverage**—Benefits include regular preventive care, X-rays, dental surgery and more. A summary of your benefits is available on the following page.
- **Nationwide access to participating dentists**—You have access to one of the nation's largest dental networks, with more than 95,000 participating dentists throughout the United States. BlueDental Traditional gives you coverage for the dental services you need, whenever and wherever you need them.
- **Opportunity to reduce costs**—If you see a participating dentist, you will incur lower out-of-pocket costs for all dental services and you will have no claim forms to file. Participating dentists have agreed to accept CareFirst's allowed benefit as payment in full for covered services. Once you meet your deductible and coinsurance, you won't have any additional expenses. You will not be balance billed!
- **Out-of-network benefit**—You can receive care from a non-participating dentist and have the same level of coverage; however, you may be subject to higher out-of-pocket costs and balance billing.
